SUBJECT: Determination Regarding Attendance by NASA Employees at a Joint Luncheon sponsored by the American Institute of Aeronautics and Astronautics (AIAA), National Capital Section (NSC), on March 28, 2013

On March 28, 2013, the American Institute of Aeronautics and Astronautics (AIAA), National Capital Section (NSC), and the National Defense Industrial Association (NDIA), non-profit organizations under 501(c)(3) of the Internal Revenue Code, will host a joint luncheon at Pier 7 Channel Inn, 650 Water Street, S.W., Washington, D.C. from 11:30 AM to 1:30 PM. The guest speaker will be NASA Associate Administrator for Space and Technology Mission Directorate Dr. Michael Gazarik.

The luncheon will be widely attended by Federal officials from various government agencies, industry, Members of Congress and their staff, academia, and the general public.

Approximately 80 people are expected to attend. The estimated cost of the luncheon, which includes all food and beverages, is \$20.00 per person. I find that the reception meets the requirements of a "widely attended gathering" as defined in 5 C.F.R. § 2635.204(g)(2).

I further determine there is an Agency interest in having NASA personnel attend the event because it will further Agency programs and operations. Attendance at the event will provide NASA employees an opportunity to discuss the mission and other NASA programs with representatives of the communities participating in the event.

Accordingly, NASA employees – including non-career appointees required to sign the ethics pledge under Executive Order 13490 – who have been invited to attend may accept free attendance at the event.

NASA employees whose duties may substantially affect the sponsor, such as by way of procurement duties, should seek an individual determination pursuant to 5 C.F.R. § 2635.204(g)(3)(i) regarding participation in this event from their local ethics counselor.
